

**Inspiring and challenging adventurers, creators and thinkers.**

**This is an example of the contents of our  
“Being a volunteer at Pegasus Bay School”**

**Each agreement is tailored depending on the reason for volunteering  
(e.g. at a school event, in the ALS at a camp or trip etc.)**

We really appreciate the support of those who offer their time and talents and volunteer at our school.

The main and most important purpose of volunteers is to provide assistance to the staff at Pegasus Bay to support the learning in and out of the classroom.

Our volunteer agreement sets out the minimum standards expected of those volunteering at our school. There may be other event specific expectations that will be explained prior to an event.
